Public group

## Details

**Join Women Who Code Global on May 16, 2024, for a dynamic one-day virtual conference designed to empower technologists worldwide to excel in their careers. Explore recent technical advancements, enhance your professional skills, and network with industry experts and peers. Don't miss your chance to discover the resources and insights you need to thrive in your tech career.**

### 🌟 Reasons to Join WWCode CONNECT 2024: Thrive in Tech

#### Career Growth Opportunities

- **Connect with Hiring Managers:** Network with hiring managers actively seeking junior, mid-level, and senior technologists for various roles, providing valuable opportunities to explore career options and potential job openings.
- **Optimize Your Professional Strategy:** Gain resources and advice for career seekers or changers to stand out in a competitive job market and secure your dream role in tech.

#### Leadership Development

- **Expand Your Network:** Connect with a diverse community of tech professionals at all career levels, fostering meaningful connections and potential collaborations for future career growth.
- **Promote Diversity and Inclusion:** Gain insights into creating more inclusive and diverse teams within the tech industry, contributing to positive organizational culture and innovation.
